FROM: Mayra Espinoza-Martinez, City Clerk  
DEPARTMENT: City Manager  
ITEM NO.: 9.7  
MEETING DATE: September 14, 2021

### **ACTION & RECOMMENDATION**

Consider the Re-Appointment of Gary Meling as the City of Lindsay Representative to the Measure R Citizens' Oversight Committee (COC).

### **BACKGROUND | ANALYSIS**

Gary Meling is the current representative for the City of Lindsay and is eligible to serve another 2-year term on the COC. Mr. Meling continues to satisfy the requirements to serve and has expressed interest in continuing to represent the City of Lindsay should the City Council choose to re-appoint him per staff's recommendation.

On November 7, 2006, the voters of Tulare County approved Measure R, imposing a 1/2 cent sales tax for transportation within the incorporated and unincorporated area of Tulare County for the next 30 years. The transportation measure will generate slightly more than \$652 million over 30 years to Tulare County's transportation needs.

The Measure R Expenditure Plan calls for a 16-member Oversight Committee that meets on a quarterly basis to provide input on the implementation of the plan. The committee also advises the Authority Board on if and when the plan needs to be augmented, ensures the funds are being spent in accordance with the plan, inform the public, and ensures the Transportation Measure funding program revenues and expenditures are spent as promised in the Measure passed by the voters. The COC is comprised of members representing the following cities, agencies, and interests:

City of Dinuba  
City of Exeter  
City of Farmersville  
City of Lindsay  
City of Porterville  
City of Tulare  
City of Visalia

FROM: Michael Camarena, Director of City Services and Planning  
DEPARTMENT: City Services and Planning  
ITEM NO.: 9.8  
MEETING DATE: September 14, 2021

### **ACTION & RECOMMENDATION**

Consider the Approval of Resolution 21-40, Authorizing Regional Early Action Planning (REAP) Grant Program Services Agreement with the Tulare County Association of Governments (TCAG).

### **BACKGROUND | ANALYSIS**

The Local Government Planning Support Grants Program was established for the purpose of providing regions and jurisdictions with one-time funding, including grants for planning activities to enable jurisdictions to meet the sixth cycle of the regional housing needs assessment. Approximately one hundred twenty-five million dollars (\$125,000,000) is available to councils of governments and other regional entities. The Department of Housing and Community Development (Department or HCD) is administering the Program (referred to herein as the Regional Early Action Planning Grant Program, or “REAP”).

On behalf of the eight regional planning agencies within the San Joaquin Valley Council of Governments (COG’s), the Fresno Council of Governments (FCOG) received a local government planning support grant and executed an agreement with the State of California Department of Housing and Community Development in the amount of \$10.2M to provide local jurisdictions with grant funding for technical assistance, preparation and adoption of planning documents and process improvements to accelerate housing production and facilitate compliance to implement the sixth cycle of the Regional Housing Needs Assessment (RHNA).

The COG’s entered a Memorandum of Understanding (MOU) November 19, 2020, and amended the MOU effective July 1, 2021, whereby FCOG was named the fiscal agent for the grant on behalf of the COG’s and in turn agreed to distribute grant funds to each of the COG’s in proportion to each COG’s relative population as of January 2020.

TCAG expects to receive approximately \$1,613,803 of such grant funds under the REAP MOU and will use \$225,000 of such funds to prepare the RHNA Plan and provide technical assistance and regional planning coordination for the provision of housing, and has agreed to suballocate the balance of said grant funds to the County of Tulare and to each of the Cities within Tulare County (the “member agencies”) to carry out the purposes of the grant, with each member agency to receive a base amount of \$100,000 and

## **STAFF REPORT**

the remaining suballocated funds to be distributed based on each member agency's percentage of population within Tulare County. The total allocation identified for Lindsay is \$113,396.

Funds can be used for technical assistance, establishing housing trust funds, RHNA/Housing Element planning, infrastructure planning, feasibility studies, staffing and consulting needs, and other uses. REAP funds cannot be used for housing construction activities. Recommendations at this time for a portion of these funds are to provide gap funding to complete the Housing and Circulation Element of the General Plan. This project is expected to be completed in 2024.

### **FISCAL IMPACT**

There is no net City cost to the General Fund; a budget amendment will be necessary to include these potential planning grant funds.

## Eligible Activities Best Practices

This document will be updated periodically with new ideas. Additions will be attached as a new page at the end of the document with the date of the addition.

### **Eligible Activity: Developing an Improved RHNA Methodology to Further Gov Code Section 65584 (d) Objectives.**

Gov Code Section 65584 (d) “affirmatively furthering fair housing” means taking meaningful actions, in addition to combating discrimination, that overcome patterns of segregation and foster inclusive communities free from barriers that restrict access to opportunity based on protected characteristics. Specifically, affirmatively furthering fair housing means taking meaningful actions that, taken together, address significant disparities in housing needs and in access to opportunity, replacing segregated living patterns with truly integrated and balanced living patterns, transforming racially and ethnically concentrated areas of poverty into areas of opportunity, and fostering and maintaining compliance with civil rights and fair housing laws.

- Analyzing and incorporating Affirmatively Furthering Fair Housing and making data available to jurisdictions
- Increasing zoned capacity in jurisdictions with disproportionately high jobs-housing ratio, including an improved balance between the number of low-wage jobs and the number of housing units affordable to low-wage workers in each jurisdiction
- Outreach strategies in addition to conducting a survey to combat segregation and foster inclusive communities free from barriers that would restrict access to opportunity based on protected characteristics
- Education and awareness of fair housing laws and issues to stakeholders (e.g. community, developers, public staff)
- Providing language assistance for limited proficiency in English
- Incorporating and developing policy guide for displacement avoidance plan and affordable housing preservation
- Incorporating climate mitigation strategies (e.g. make housing more energy efficient, adopting renewable energy sources such as solar and wind)
- Incorporating disaster / climate adaptation and encouraging strategies in local land use documents

- Incorporating ways to promote infill development (i.e., promoting higher zoned capacity in areas with low per capita vehicle miles traveled and high access to opportunity, focusing new growth land that has already been developed with urban uses or is substantially surrounded by urban uses and/or incorporating ways to promote transportation-efficient development (i.e., development in places where there are multiple transportation options besides a single occupancy vehicle--transit, bike lanes, sidewalks- and the density and mix of uses that make these transportation options a viable choice),
- Mapping regional Priority Development Areas or similar
- Implementing a Sustainable Communities Strategies (SCS) consistency program (e.g. Association of Bay Area Government's Resilience Program)
- Promotion of more zoned capacity for housing in jurisdictions with the highest housing costs.
- Local input surveys
- Mini grants to community groups and partnership with grassroots partners and community leaders to support full engagement in RHNA development
- Aligning transportation funding – especially competitive transportation grant programs and investments in transit, streetscape, placemaking, and active transportation – with RHNA plans for housing (i.e., Bay Area's Resolution 3434)
- Incorporating homelessness data to plan for meeting supply of below 30 percent AMI units
- Education and awareness of various tax increment financing tools, promoting use of local tax increment financing tools (i.e., Enhanced Infrastructure Financing Districts (EIFDs), Community Revitalization and Investment Authorities (CRIAs), Affordable Housing Authorities (AHAs), Infrastructure and Financing Revitalization Districts (IFRDs) and Neighborhood Infill Finance and Transit Improvements (NIFTI) districts. CRIAs have alignment with CalEnviro Screen and affordable housing requirement, see [tool comparison](#).
- Education and awareness on pairing federal Opportunity Zone (OZ) program with state programs (i.e., Strategic Growth Council Transformative Climate Community in Ontario has an affordable housing project funded by state with OZ funding). Opportunity Zones are census tracts that are defined by the Internal Revenue Service (IRS) as “economically-distressed community where new investments, under certain conditions, may be eligible for preferential tax treatment.” They were added to the tax code by the Tax Cuts and Jobs Act on December 22, 2017. <https://opzones.ca.gov/faqs/>.

- Incorporating methods to pair federal Opportunity Zone program with affordable housing

## **Eligible Activity: Suballocations to Jurisdictions**

- Developing approaches to insure equitable distribution of funding such as location-based minimums (e.g., at least 20% in a specified county), non-competitive programs coupled with population based or RHNA based award amounts, proactive outreach and technical assistance with under-resourced communities.
- Program criteria for SCS consistency, displacement, affordability, including deeper targeting, climate adaption
- Program criteria for Affirmatively Furthering Fair Housing
- COG to develop grant program to support development of compliant Housing Elements and community engagement strategies (i.e., Bay Area's 80k by 2020 challenge grant program, SANDAG's Policy 33)
- Program criteria or other incentives to facilitate pro-housing jurisdictions
- Jurisdictions' specific best practices after a COG develops a grant program:
  - Prepare a form based zoning or overlay zone to provide development standards and zoning that allows future higher-density housing and mixed-use development (may include Environmental Impact Report [EIR])
  - Develop framework for a trust to support the preservation and production of long-term affordable housing for lower-income households
  - Completing CEQA analysis and specific plan EIRs that promote streamlined approvals at the project-level or eliminate the need for project-level specific review.
  - Undertake rezoning efforts to bring local zoned capacity into compliance with HCD requirements for housing element prior to Housing Element due data
  - Objective design and/or development standards to comply with SB35 and other laws to provide more clarity and certainty for applicants.
  - Planning associated with local financial strategies such as a local housing trust fund, fee reductions for infill, TOD, or affordable developments, published fee schedules and fee calculators.

- Intensifying land-use patterns to allow for a variety of housing types (duplexes, triplexes, fourplexes, multi-family) and increasing densities on sites identified to accommodate the jurisdictions lower-income RHNA.
- When suballocating funds for comprehensive marketing strategies that the marketing is equitably designed and inclusive of disadvantage communities.
- Feasibility studies to determine the most efficient locations to site housing, such as those with lowest per capita vehicle miles traveled and highest access to jobs and other opportunities.
- Infrastructure planning that prioritizes infill development.
- Establishing a flexible housing subsidy pool.
- Anti-displacement strategies which may be applicable are those eligible pursuant to the program guidelines of other state housing assistance programs such as the Affordable Housing and Sustainable Communities (AHSC) Program, or policies and programs to implement the provisions of Government Code section 65583 (a)(9) and (c)(6) for preservation of assisted housing developments.
- Examples of priorities that may complement the acceleration of housing production can include consideration of practices that prohibit residential uses in areas zoned for open space, agriculture, areas considered environmentally hazardous (e.g., floodplains or high wildfire severity zone areas), or other sensitive areas.
- Feasibility for a tax increment financing tool that expedites housing development; prepare an Infrastructure Financing Plan for a tax increment financing tool to plan for future housing and housing funding. Such as Enhanced Infrastructure Financing Districts (EIFDs), Community Revitalization and Investment Authorities (CRIAs), Affordable Housing Authorities (AHAs), Infrastructure and Financing Revitalization Districts (IFRDs) and Neighborhood Infill Finance and Transit Improvements (NIFTI) districts. CRIAs have alignment with CalEnviro Screen and affordable housing requirement. [Tool comparison:](#)
- Pairing Federal Opportunity Zone Program for affordable housing development
  - Developing plan to increase affordable housing development in Federal Opportunity Zones.

- Creating toolkit/project pipeline to pair Opportunity Zone funding with state affordable housing programs (such as AHSC project or Infill Infrastructure Grant with an OZ Fund)
- Examples include the Strategic Growth Council  
Transformative Climate Community in Ontario has an affordable housing project funded by state with OZ funding

## **Eligible Activity: Technical Assistance, Temporary Staffing or Consultant Needs and Other Actions**

## **San Joaquin Valley Regional Early Action Planning for Housing REGIONAL PLANNING AGENCY FUNDING GUIDANCE**

*Revised Version – May 6, 2021*

### ***Background***

The Local Government Planning Support Grants Program (AB 101) was established to provide regions and jurisdictions with one-time grant funding for planning activities to meet the sixth cycle of the Regional Housing Needs Allocation (RHNA), and to spur affordable housing production. A total of \$18,975,323 in Regional Early Action Planning (REAP) grant funds is available to the eight San Joaquin Valley regional planning agencies.

The San Joaquin Valley Regional Early Action Committee for Housing (SVJ REAP Committee), required by statute, will help guide the Valley's REAP planning efforts. The SVJ REAP Committee comprises 24 members of the San Joaquin Valley regional planning agencies, cities, counties and community members. The SVJ REAP Committee meets two to four times a year. The San Joaquin Valley Regional Planning Agencies' Directors' Committee will also advise the SVJ REAP program implementation process.

### ***Overview***

The Fresno Council of Governments is the fiscal agent for this regional effort. There are three primary work areas highlighted below:

- RHNA (Regional Housing Needs Allocation) - Developing an improved methodology for the distribution of the sixth cycle RHNA.
- Suballocations to jurisdictions – Providing grants to accelerate housing production in a way that aligns with state planning priorities, housing, transportation, equity, and climate goals.
- Valleywide activities and deliverables – Conducting a comprehensive housing report, regional planning and coordination, program implementation, technical assistance, and other activities. REAP program administration, agreements, consultants, outreach, communication, and other administrative and program management duties.

RHNA and jurisdictional suballocations will primarily be conducted at the regional planning agency level, with each regional planning agency receiving a pro-rata share of funding for developing and implementing its RHNA process, and for distributing and coordinating the jurisdictional suballocations. Please reference the attached REAP Summary Funding Table for additional information.

The SVJ Housing Program Manager (Sigala Inc.) and Fresno COG will lead the Valleywide planning efforts in coordination with the SVJ REAP Committee, the Directors' Committee, staff at the regional planning agencies, and other partners.

### ***Distribution Process (initial funding)***

Fresno COG, on behalf of the San Joaquin Valley, has received \$10.2 million of initial funding (REAP applications one and two) for the SJV REAP process. The initial funding is being made available to the San Joaquin Valley as “front loaded” grant funds for immediate distribution. This is not typical of state planning grant funding, which is traditionally provided on a reimbursable basis. The SJV REAP Committee has approved a pro-rata funding allocation methodology for the initial funding amount.

#### **Breakdown of Initial Funding**

Fresno Council of Governments	\$1,114,737.62
Kern Council of Governments	\$1,001,370.41
Kings County Association of Governments	\$168,949.28
Madera County Transportation Commission	\$172,885.65
Merced County Association of Governments	\$310,394.79
San Joaquin Council of Governments	\$845,097.40
Stanislaus Council of Governments	\$607,250.45
Tulare County Association of Governments	<u>\$523,145.14</u>
Subtotal	\$4,743,830.75

#### **Funding for Valleywide work efforts \***

*(including Fresno COG administrative cost)*

\$5,475,000.00

Total \$10,218,830.75

\*\$1 million of Valleywide funding is to be transferred to regional planning agencies for supplemental RHNA planning. See below, “Supplemental RHNA Planning Funds.”

Each regional planning agency is responsible, through their respective boards, to determine funding amounts and policies for RHNA planning and jurisdictional suballocations. Fresno COG, the SJV Housing Program Manager, and staff at the eight regional planning agencies will coordinate and further develop policies and guidance for RHNA and suballocation disbursements across the region, as needed.

Initial funding distributions at the regional planning agency level should prioritize direct suballocations to jurisdictions, consistent with the policy direction as approved by the SJV REAP Committee and the amounts approved in first REAP funding application. Fresno COG advises that regional planning agencies generally adhere to the jurisdictional allocation amounts approved by the State of California in the first REAP application submittal. Those amounts are detailed in the table below and in the attached REAP Summary Funding Table.

Each regional planning agency may use up to five percent (5%) of funding for program administration (reporting, invoicing, etc.). Project management (staffing) can reasonably be used for program implementation outside of the five percent administration figure. Fresno COG

advises that administration and project management costs come out of the RHNA Planning amounts and not the jurisdictional suballocation amounts.

***\*Supplemental RHNA Planning Funds***

Due to the limited pro-rata RHNA planning shares, \$1 million of Valleywide funding will be apportioned equally to each regional planning agency in the amount of \$125,000.

**Combined breakdown of initial and supplemental funding amounts for RHNA planning and jurisdictional suballocations:**

	<u>RHNA Planning</u>	<u>Suballocations</u>	<u>Total</u>
Fresno Council of Governments	\$477,480	\$762,257	\$1,239,738
Kern Council of Governments	\$441,633	\$684,737	\$1,126,370
Kings County Association of Governments	\$178,422	\$115,527	\$293,949
Madera County Transportation Commission	\$179,666	\$118,219	\$297,886
Merced County Association of Governments	\$223,147	\$212,248	\$435,395
San Joaquin Council of Governments	\$392,220	\$577,877	\$970,097

Please reference the attached REAP Summary Funding Table for additional information.

- RHNA planning activities including developing an improved methodology for the distribution of the sixth cycle RHNA.
- Providing jurisdictions and other local agencies with technical assistance, planning, temporary staffing or consultant needs associated with updating local planning and zoning documents, expediting application processing, and other actions to accelerate additional housing production.

- Activities that obstruct or hinder housing production.
- Capital financing, operation or funding related to programs of individual housing development projects.
- Administrative costs of persons employed by the grantee for activities not directly related to the preparation and adoption of the proposed Activity or Activities.

### ***Distribution Process (remaining funds)***

The remaining funds for Valley REAP planning purposes are \$8,756,492.25. An application to the state for the remaining funds needs has been submitted to the State of California, Housing and Community Development Department (HCD). The SJV REAP Committee has determined that the remaining funds shall be allocated on a population pro-rata basis to each regional planning agency process for jurisdictional suballocations and additional housing related activities at the regional planning agency level. Please see attached REAP Summary Funding Table for the breakdown by regional planning agency.

All REAP funds shall be expended by August 31, 2023.

### ***Reporting Requirements***

There will be quarterly, annual (by April 1 of each year) and a final report (by December 21, 2024) required by all entities that receive REAP funding. Fresno COG and the SJV Housing Program Manager will work with each regional planning agency to ensure compliance with State HCD reporting requirements.

### TCAG'S GENERAL AGREEMENT TERMS AND CONDITIONS

**1. COMPLIANCE WITH LAW:** CONTRACTOR must provide services in accordance with applicable Federal, State, and local laws, regulations, and directives. With respect to CONTRACTOR'S employees, CONTRACTOR must comply with all laws and regulations pertaining to wages and hours, state and federal income tax, unemployment insurance, Social Security, disability insurance, workers' compensation insurance, and discrimination in employment.

**2. PAYMENT DOES NOT IMPLY ACCEPTANCE OF WORK:** CONTRACTOR is not entitled to any payments under this Agreement until TCAG confirms that services provided, including any furnished deliverables, satisfy all of the requirements of this Agreement. Payments to CONTRACTOR by TCAG shall not excuse CONTRACTOR from its obligation to replace unsatisfactory deliverables, including equipment, components, materials, or services even if the unsatisfactory character of such deliverables, equipment, components, materials, or services may not have been apparent or detected at the time such payment was made. Deliverables, equipment, components, materials, and services that do not conform to the requirements of this Agreement may be rejected by TCAG and in such case must be replaced by CONTRACTOR without delay and at no cost to the TCAG.

**3. DISALLOWANCE:** If CONTRACTOR requests or receives payment from TCAG for services hereunder, reimbursement for which is later disallowed by the State of California or United States Government, CONTRACTOR shall promptly refund the disallowed amount to TCAG upon TCAG'S request. At its option, TCAG may offset the amount disallowed from any payment due or to become due to CONTRACTOR under this Agreement or any other Agreement between CONTRACTOR and TCAG. CONTRACTOR'S obligations under this section 2 will survive the expiration or termination of this Agreement.

**4. LIABILITY OF TCAG:** TCAG'S payment obligations under this Agreement shall be limited to the payment of the compensation provided for in section 3, "PAYMENT FOR SERVICES," of this Agreement. Notwithstanding any other provision of this Agreement, in no event shall TCAG be liable, regardless of whether any claim is based on contract or tort, for any special, consequential, indirect, or incidental damages, including, but not limited to, lost profits, arising out of or in connection with this Agreement or the services performed in connection with this Agreement.

**5. QUALIFIED PERSONNEL:** CONTRACTOR shall utilize only competent personnel under the supervision of, and in the employment of, CONTRACTOR (or CONTRACTOR'S authorized subcontractors) to perform the services. CONTRACTOR will comply with TCAG'S reasonable requests regarding assignment and/or removal of personnel, but all personnel, including those assigned at TCAG'S request, must be supervised by CONTRACTOR. CONTRACTOR shall commit adequate resources to allow timely completion within the project schedule specified in this Agreement.

**6. INDEPENDENT CONTRACTOR STATUS:** The Parties enter into this Agreement with the express understanding that CONTRACTOR will perform all services required under this Agreement as an independent contractor. The Parties agree that CONTRACTOR and any of its agents, employees, or officers cannot be considered agents, employees, or officers of TCAG. CONTRACTOR agrees to advise everyone it assigns or hires to perform any duty under this Agreement that they are not employees of TCAG. Subject to any performance criteria contained in this Agreement, CONTRACTOR will be solely responsible for determining the means and methods of performing the specified services and TCAG will have no right to control or exercise any supervision over CONTRACTOR as to how

CONTRACTOR will perform the services. As CONTRACTOR is not TCAG'S employee, CONTRACTOR is responsible for paying all required state and federal taxes. In particular, TCAG will not:

- (1) Withhold FICA (Social Security) from CONTRACTOR'S payments.
- (2) Make state or federal unemployment insurance contributions on CONTRACTOR'S behalf.
- (3) Withhold state or federal income tax from payments to CONTRACTOR.
- (4) Make disability insurance contributions on behalf of CONTRACTOR.
- (5) Obtain unemployment compensation insurance on behalf of CONTRACTOR.

Notwithstanding this independent contractor relationship, TCAG will have the right to monitor and evaluate the performance of CONTRACTOR to assure compliance with this Agreement.

**7. LICENSES AND PERMITS:** CONTRACTOR represents and warrants that it possesses and will maintain during the term of this Agreement all licenses and permits required for its performance of the services required under this Agreement.

**8. GOVERNING LAW:** The laws of the State of California, without reference to California conflict of laws principles, govern this Agreement and its interpretation. The Parties agree that this Agreement is made in and will be performed in Tulare County, California.

**9. RECORDS AND AUDIT:** CONTRACTOR must maintain complete and accurate records with respect to the services rendered and the costs incurred under this Agreement. In addition, CONTRACTOR must maintain complete and accurate records with respect to any payments to employees or subcontractors. All of the records must be prepared in accordance with generally accepted accounting procedures, must be clearly identified, and must be kept readily accessible. Upon request, CONTRACTOR must make the records available within Tulare County to the Auditor of Tulare County and to his or her agents and representatives, for the purpose of auditing and/or copying the records for a period of five (5) years from the date of final payment under this Agreement. Additional record-keeping requirements may be located in Exhibit F or G (related to federally-funded contracts generally, or FTA-funded contracts specifically).

**10. CONFLICT OF INTEREST:**

(a) At all times during the performance of this Agreement, CONTRACTOR must comply with the law of the State of California regarding conflicts of interests and appearance of conflicts of interests, including, but not limited to, Government Code Section 1090 *et seq.*, and the Political Reform Act, Government Code Section 81000 *et seq.*, and regulations promulgated by the California Fair Political Practices Commission. The statutes, regulations, and laws previously referenced include, but are not limited to, prohibitions against any public officer or employee, including CONTRACTOR for this purpose, from making any decision on behalf of TCAG in which the officer, employee, or consultant/contractor has a direct or indirect financial interest. A violation can occur if the public officer, employee, or consultant/contractor participates in or influences any TCAG decision that has the potential to confer any pecuniary benefit on CONTRACTOR or any business firm in which CONTRACTOR has an interest, with certain narrow exceptions.

(b) CONTRACTOR agrees that if any facts come to its attention that raise any questions as to the applicability of conflicts-of-interests laws, then it will immediately inform TCAG and provide all information needed for resolution of this question.

**11. INSURANCE:** The attached **Attachmet E** outlines the minimum scope, specifications, and limits of insurance required under this Agreement. Additional insured endorsements required as outlined in **Attachment E** cannot be used to reduce limits available to TCAG as an additional insured from

CONTRACTOR's full policy limits. Insurance policies cannot be used to limit liability or to limit the indemnification provisions and requirements of this Agreement or act in any way to reduce the policy coverage and limits available from the insurer(s). If CONTRACTOR fails to maintain or renew coverage, or to provide evidence of renewal, then TCAG may consider that failure a material breach of this Agreement. TCAG may also withhold any payment otherwise due to CONTRACTOR for failure to provide evidence of renewal until CONTRACTOR provides such evidence.

## **12. INDEMNIFICATION AND DEFENSE:**

(a) To the fullest extent permitted by law, CONTRACTOR must indemnify, defend (at CONTRACTOR'S sole cost and expense and with legal counsel approved by TCAG, which approval may not be unreasonably withheld), protect and hold harmless TCAG, all subsidiaries, divisions, committee, and affiliated agencies of TCAG, and all of their representatives, partners, designees, officers, directors, employees, consultants, agents, successors, and assigns, (each, an "Indemnified Party" and collectively, the "Indemnified Parties"), from and against all claims (including, without limitation, claims for bodily injury, death or damage to property), demands, obligations, damages, actions, causes of action, suits, losses, judgments, fines, penalties, liabilities, costs, and expenses (including, without limitation, attorneys' fees, disbursements, and court costs, and all other professional expert or consultants' fees and costs and TCAG general and administrative expenses) of every kind and nature whatsoever (individually, a "Claim"; collectively, "Claims") which may arise out of, pertain to, or relate (directly or indirectly) to the negligence, recklessness, or misconduct of CONTRACTOR with respect to any work performed or services provided under this Agreement (including, without limitation, the acts, errors, and/or omissions of CONTRACTOR, its principals, officers, agents, employees, vendors, suppliers, consultants, sub-consultants, contractors, and anyone employed directly or indirectly by any of them, or for whose acts they may be liable, or any or all of them). CONTRACTOR'S obligation to indemnify applies unless it is finally adjudicated that the liability was caused by the sole active negligence or sole willful misconduct of an Indemnified Party. If it is finally adjudicated that liability is caused by the comparative active negligence or willful misconduct of an Indemnified Party, then CONTRACTOR'S indemnification obligation shall be reduced in proportion to the established comparative liability.

(b) The duty to defend is a separate and distinct obligation from CONTRACTOR'S duty to indemnify. CONTRACTOR shall be obligated to defend, in all legal, equitable, administrative, or special proceedings, the Indemnified Parties immediately upon tender to CONTRACTOR of the Claim in any form or at any stage of an action or proceeding, whether or not liability is established. Payment to CONTRACTOR by any Indemnified Party or the payment or advance of defense costs by any Indemnified Party cannot be a condition precedent to enforcing the Indemnified Party's rights to indemnification under this Agreement. An allegation or determination that persons other than CONTRACTOR are responsible for the Claim does not relieve CONTRACTOR from its separate and distinct obligation to defend under this section. The obligation to defend extends through final judgment, including exhaustion of any appeals. The defense obligation includes an obligation to provide independent defense counsel if CONTRACTOR asserts that liability is caused in whole or in part by the negligence or willful misconduct of an Indemnified Party. If it is finally adjudicated that liability was caused by the comparative active negligence or willful misconduct of an Indemnified Party, then CONTRACTOR may submit a claim to the TCAG for reimbursement of reasonable attorneys' fees and defense costs in proportion to the established comparative liability of the Indemnified Party. CONTRACTOR'S indemnification obligations under this Agreement will survive the expiration or earlier termination of this Agreement until action against the Indemnified Parties for the matter indemnified is fully and finally barred by the applicable statute of limitations or statute of repose. CONTRACTOR'S liability for indemnification under this Agreement is in addition to any liability CONTRACTOR may have to TCAG for a breach by CONTRACTOR of any of the provisions of this Agreement. Under no circumstances may the insurance requirements and limits set forth in this Agreement be construed to limit CONTRACTOR'S

indemnification obligation or other liability under this Agreement. The terms of this Agreement are contractual and the result of negotiation between the Parties.

(c) CONTRACTOR must indemnify and hold TCAG harmless from all loss and liability, including attorneys' fees, court costs and all other litigation expenses, for any infringement of the patent rights, copyright, trade secret or any other proprietary right or trademark, and all other intellectual property claims of any person or persons in consequence of the use by TCAG, or any of its officers or agents, of articles or services to be supplied in the performance of this Agreement.

### **13. TERMINATION:**

(a) **Without Cause:** TCAG may terminate this Agreement without cause by giving thirty (30) days' prior written notice to CONTRACTOR of its intention to terminate under this provision, specifying the date of termination. TCAG will pay to CONTRACTOR the compensation earned for work satisfactorily performed and not previously paid for to the date of termination. TCAG will not pay lost anticipated profits or other economic loss. The payment of any compensation is subject to the restrictions on payment of compensation otherwise provided in this Agreement and is conditioned upon receipt from CONTRACTOR of all plans, specifications and estimates, and other documents prepared by CONTRACTOR in accordance with this Agreement. TCAG will not impose sanctions on CONTRACTOR under these circumstances.

(b) **With Cause:** Either Party may terminate this Agreement immediately, by written notice to the other Party, should the other Party:

- (1) Be adjudged a bankrupt, or
- (2) Become insolvent or have a receiver appointed, or
- (3) Make a general assignment for the benefit of creditors, or
- (4) Suffer any judgment that remains unsatisfied for 30 days, and that would substantively impair the ability of the judgment debtor to perform under this Agreement, or
- (5) Materially breach this Agreement.

In addition, TCAG may terminate this Agreement based on:

- (6) Material misrepresentation, either by CONTRACTOR or anyone acting on CONTRACTOR'S behalf, as to any matter related in any way to TCAG'S retention of CONTRACTOR, or
- (7) Other misconduct or circumstances that, in the sole discretion of TCAG, either impairs the ability of CONTRACTOR to competently provide the services under this Agreement or exposes TCAG to an unreasonable risk of liability.

For any of the occurrences except item (5) above, termination may be effected upon written notice by the terminating Party specifying the date of the termination. If CONTRACTOR fails to perform according to the terms and conditions of this Agreement, then TCAG may, in addition to any other remedy it may have, issue a declaration of default after 10 days' written notice to CONTRACTOR.

Upon a material breach, the Agreement may be terminated after the failure of the defaulting Party to remedy the breach to the satisfaction of the non-defaulting Party within 5 days of written notice specifying the breach. If the breach is not remedied within that 5-day period, then the non-defaulting Party may terminate this Agreement on further written notice specifying the date of termination. If the nature of the breach is such that it cannot be cured within a 5-day period, then the defaulting Party may submit a written proposal within that period which sets forth a specific means to resolve the default. If the non-defaulting Party consents to that proposal in writing, which consent may not be unreasonably withheld, then the defaulting Party must immediately embark on its plan to cure the default or breach. If the default or breach

is not cured within the time agreed, then the non-defaulting Party may terminate this Agreement upon written notice specifying the date of termination.

TCAG will pay to CONTRACTOR the compensation earned for work satisfactorily performed and not previously paid for to the date of termination. The payment of such compensation is subject to the restrictions on payment of compensation otherwise provided in this Agreement and is conditioned upon receipt from CONTRACTOR of all plans, specifications and estimates, and other documents prepared by CONTRACTOR by the date of termination in accordance with this Agreement. TCAG will not pay lost anticipated profits or other economic loss, nor will TCAG pay compensation or make reimbursement to cure a breach arising out of or resulting from such termination. If TCAG terminates this Agreement for cause and the expense of finishing CONTRACTOR'S scope of work exceeds the unpaid balance of the Agreement, then CONTRACTOR must pay the difference to TCAG. TCAG may impose sanctions under these circumstances, which may include possible rejection of future proposals based on specific causes of CONTRACTOR'S non-performance.

(c) **Effects of Expiration or Termination:** Expiration or termination of this Agreement will not terminate any obligations to indemnify, to maintain and make available any records pertaining to the Agreement, to cooperate with any audit, to be subject to offset, or to make any reports of pre-termination contract activities. Where TCAG terminates CONTRACTOR'S services, that termination will not affect any rights of TCAG to recover damages against CONTRACTOR.

(d) **Suspension of Performance:** Independent of any right to terminate this Agreement, the Executive Director of TCAG may immediately suspend performance by CONTRACTOR, in whole or in part, in response to health, safety or financial emergency, or a failure or refusal by CONTRACTOR to comply with the provisions of this Agreement, until such time as the cause for suspension is resolved, or a notice of termination becomes effective.

**14. LOSS OF FUNDING:** It is understood and agreed that if TCAG'S funding is either discontinued or reduced for the services to be provided hereunder, then TCAG will have the right to terminate this Agreement under section 13 (a) ("Termination Without Cause") as of the end of the term for which funds are appropriated. Such termination shall be without penalty, liability, or expense to TCAG of any kind, provided that TCAG shall pay CONTRACTOR in accordance with section 13 (a) for services satisfactorily performed prior to the date of such termination and to the extent funds have been appropriated for such payment.

**15. SUBMITTING FALSE CLAIMS; MONETARY PENALTIES:** Under applicable federal and state law, if CONTRACTOR submits a false claim to TCAG under this Agreement, then CONTRACTOR will be liable to TCAG for the statutory penalties set forth in those statutes, including but not limited to statutory fines, treble damages, costs, and attorneys' fees. CONTRACTOR will be deemed to have submitted a false claim to TCAG if CONTRACTOR:

- (a) Knowingly presents or causes to be presented to TCAG a false claim or request for payment or approval;
- (b) Knowingly makes, uses, or causes to be made or used a false record or statement to get a false claim paid or approved by TCAG;
- (c) Conspires to defraud TCAG by getting a false claim allowed or paid by TCAG;
- (d) Knowingly makes, uses, or causes to be made or used a false record or statement to conceal, avoid, or decrease an obligation to pay or transmit money or property to TCAG; or

(e) Is a beneficiary of an inadvertent submission of a false claim to TCAG, later discovers the falsity of the claim, and fails to disclose the false claim to TCAG within a reasonable time after discovery of the false claim.

**16. FORM DE-542:** If CONTRACTOR is an individual, CONTRACTOR acknowledges that this Agreement is subject to filing obligations under Unemployment Insurance Code Section 1088.8. Accordingly, TCAG has an obligation to file a report with the Employment Development Department, which report will include CONTRACTOR'S full name, social security number, address, the date this Agreement was executed, the total amount of the Agreement, its expiration date or whether it is ongoing. CONTRACTOR agrees to cooperate with TCAG to make that information available and to complete Form DE- 542. Failure to provide the required information may, at TCAG'S option, prevent approval of this Agreement, or be grounds for termination by TCAG.

**17. WORKS FOR HIRE:** CONTRACTOR acknowledges that all work(s) under this Agreement are "work(s) for hire" within the meaning of the United States Copyright Act (Title 17 United States Code) and hereby assigns to TCAG all rights and interests CONTRACTOR may have in the work(s) it prepares under this Agreement, including any right to derivative use of the work(s). All software and related materials developed by CONTRACTOR in performance of this Agreement for TCAG will be the sole property of TCAG, and CONTRACTOR hereby assigns and transfers all its right, title, and interest therein to TCAG. CONTRACTOR will execute all necessary documents to enable TCAG to protect TCAG'S intellectual property rights under this section.

**18. WORK PRODUCT:** All work product, equipment, or materials created for TCAG or purchased by TCAG under this Agreement belong to TCAG and CONTRACTOR must immediately deliver them to TCAG at TCAG'S request upon termination or completion of this Agreement.

**19. TIME OF ESSENCE:** The Parties agree that time is of the essence under this Agreement unless they agree otherwise in writing.

**20. CONFIDENTIALITY:** CONTRACTOR may not use or disclose any information it receives from TCAG under this Agreement that TCAG has previously identified as confidential or exempt from mandatory public disclosure except as necessary to carry out the purposes of this Agreement or as authorized in advance by TCAG. Unless required to do so by law, including, but not limited to, the Ralph M. Brown Act or the California Public Records Act, TCAG may not disclose to third parties any information it receives from CONTRACTOR that CONTRACTOR has previously identified as confidential. If TCAG determines that it must disclose any information that CONTRACTOR previously identified as confidential, then it shall promptly give CONTRACTOR written notice of its intention to disclose such information and the authority for such disclosure. CONTRACTOR shall have period of five (5) calendar days thereafter within which to seek a protective court order to prevent such disclosure or to notify TCAG that it will not seek such an order. TCAG shall cooperate with CONTRACTOR in any efforts to seek such a court order. TCAG shall not disclose the information until the five (5) day period has expired without a response from CONTRACTOR, or CONTRACTOR has notified TCAG that it will not seek such an order, or CONTRACTOR has sought and a court has declined to issue a protective order for such information. If CONTRACTOR seeks a protective order for such information, CONTRACTOR shall defend and indemnify TCAG from any and all loss, injury, or claim arising from TCAG'S withholding of the information from the requestor. This includes any attorney's fees awarded to the requestor. The duty of TCAG and CONTRACTOR to maintain confidentiality of information under this section continues beyond the term of this Agreement.

**21. ASSIGNMENT/SUBCONTRACTING:** Unless otherwise provided in this Agreement, TCAG is relying on the personal skill, expertise, training and experience of CONTRACTOR and CONTRACTOR'S employees and no part of this Agreement may be assigned or subcontracted by CONTRACTOR without the prior written consent of TCAG, which consent TCAG may grant, delay, deny, or condition in its absolute discretion.

**22. DISPUTES AND DISPUTE RESOLUTION:** CONTRACTOR shall continue with its responsibilities under this Agreement during any dispute. If a dispute arises out of or relating to this Agreement, or the breach of the Agreement, and if the dispute cannot be settled through negotiation, then the Parties agree first to try in good faith to settle the dispute by non-binding mediation, to be held in Tulare County, California, before resorting to litigation or some other dispute resolution procedure, unless the Parties mutually agree otherwise. The Parties must mutually select the mediator, but in case of disagreement, then the Parties will select the mediator by lot from among two nominations provided by each Party. The Parties will split equally all costs and fees required by the mediator; otherwise, each Party will bear its own costs of mediation. If mediation fails to resolve the dispute within 30 days, then either Party may pursue litigation to resolve the dispute.

**23. PROPERTY TAXES:** Under the terms of California Revenue and Taxation Code section 107.6 (possessory interest tax), CONTRACTOR'S possession or use of any TCAG-owned real property under this Agreement may create a "possessory interest" in the real property. If a possessory interest is created, then it may be subject to property taxation and CONTRACTOR may be subject to the payment of property taxes on that possessory interest.

**24. FURTHER ASSURANCES:** Each Party will execute any additional documents and perform any further acts that may be reasonably required to effect the purposes of this Agreement.

**25. CONSTRUCTION:** This Agreement reflects the contributions of all Parties and so the provisions of Civil Code section 1654 will not apply to address and interpret any alleged uncertainty or ambiguity.

**26. HEADINGS:** Section headings are provided for organizational purposes only and do not in any manner affect the scope, meaning, or intent of the provisions under the headings.

**27. NO THIRD-PARTY BENEFICIARIES INTENDED:** Unless specifically set forth, the Parties to this Agreement do not intend to provide any other party with any benefit or enforceable legal or equitable right or remedy.

**28. WAIVERS:** The failure of either Party to insist on strict compliance with any provision of this Agreement will not be considered a waiver of any right to do so, whether for that breach or any later breach. The acceptance by either Party of either performance or payment will not be considered a waiver of any preceding breach of the Agreement by the other Party.

**29. ORDER OF PRECEDENCE:** In the event of any conflict or inconsistency between or among the body of the Agreement (which includes these "General Agreement Terms and Conditions") and any Exhibit, Schedule, or Attachment, then the terms and conditions of the body of the Agreement shall prevail.

**30. CONFLICT WITH LAWS OR REGULATIONS/ SEVERABILITY:** This Agreement is subject to all applicable laws and regulations. If any provision of this Agreement is found by any court or other legal authority, or is agreed by the Parties to be, in conflict with any code or regulation governing its subject matter, only the conflicting provision will be considered null and void. If the effect of nullifying any conflicting provision is such that a material benefit of the Agreement to either Party is lost, then the Agreement may be

terminated at the option of the affected Party. In all other cases, the remainder of the Agreement will continue in full force and effect.

**31. ENTIRE AGREEMENT:** This Agreement represents the entire agreement between CONTRACTOR and TCAG as to its subject matter and no prior oral or written understanding will be of any force or effect. No part of this Agreement may be modified without the written consent of both Parties.

**32. ASSURANCES OF NON-DISCRIMINATION:** CONTRACTOR must not discriminate in employment or in the provision of services based any characteristic or condition upon which discrimination is prohibited by state or federal law or regulation. The Parties recognize that both CONTRACTOR and TCAG have the responsibility to protect TCAG employees and clients from unlawful activities, including discrimination and sexual harassment in the workplace. Accordingly, CONTRACTOR agrees to provide appropriate training to its employees regarding discrimination and sexual harassment issues, and to promptly and appropriately investigate any allegations that any of its employees may have engaged in improper discrimination or harassment activities. TCAG, in its sole discretion, has the right to require CONTRACTOR to replace any employee who provides services of any kind to TCAG under this Agreement with other employees where TCAG is concerned that its employees or clients may have been or may be the subjects of discrimination or harassment by such employees. TCAG'S right to require replacement of employees under this section does not preclude TCAG from terminating this Agreement with or without cause as provided for under this Agreement. Additional nondiscrimination requirements may be located in Exhibit F or G (related to federally-funded contracts generally, or FTA-funded contracts specifically).

**33. DRUG-FREE WORKPLACE POLICY:** CONTRACTOR acknowledges that under the Federal Drug-Free Workplace Act of 1989 and the California Drug-Free Workplace Act of 1990, the unlawful manufacture, distribution, dispensation, possession, or use of a controlled substance is prohibited on TCAG premises. CONTRACTOR agrees that any violation of this prohibition by CONTRACTOR, its employees, agents, or assigns will be deemed a material breach of this Agreement.

**34. RECYCLED PAPER CONTENT:** To the extent CONTRACTOR'S services under this Agreement include printing services, pursuant to Public Contract Code section 22153, CONTRACTOR shall use paper that meets the recycled content requirements of Public Contract Code section 12209.

## STAFF REPORT

TO: Lindsay City Council  
FROM: Juana Espinoza, Finance Director  
DEPARTMENT: Finance Department  
ITEM NO.: 10.2  
MEETING DATE: September 14, 2021

### **ACTION & RECOMMENDATION**

Consider Approval of City of Lindsay Grant Funding and Compliance Policy.

### **BACKGROUND | ANALYSIS**

Staff has been working with representatives from the California Department of Transportation and the California State Auditor to strengthen the City's written policies and procedures on the management and compliance of awarded grant funds.

The Grant Funding and Compliance Policy as presented here 1) addresses deficiencies as identified by the Independent Office of Audits & Investigations Incurred Cost Audit, issued July 2014 by CalTrans and 2) provides a framework for developing a plan for the effective use of American Rescue Plan Act funds as recommended by the State Auditor's Office report 2020-804.

This policy replaces Article V. Grant Tracking Procedures of the existing Finance and Accounting Policies and Procedures Manual and incorporates recommendations made by these two State agencies as part of staff's on-going dedication to safe guard City resources and meet the requirements of our funding partners.

These updates establish adequate grant management procedures to ensure compliance with federal and state regulations, and local guidance and provides staff with a quick, up-to-date reference source to ensure compliance with all State and Federal procurement guidelines. The policy also includes examples to address the regular review of grant requirements and compliance with the Uniform Procurement Guidance (2 CFR 200.318-326).

If approved by Council, this policy shall apply to and formalize the current practices of City Staff to maintain adequate records of project costs and schedules, including both estimates and actuals, and serve to institute internal controls to ensure that expenditure records are complete and in compliance with grant conditions.

This policy, as written, completes corrective action #4 and #5 as identified by the Department of Transportation and will be presented for review to the State Auditor as part of the November 2021 Corrective Action Plan.

## ARTICLE III: GRANT FUNDING AND COMPLIANCE POLICY

---

### Section 1. WHAT ARE GRANTS?

Grants are a meaningful source of revenue funds for a variety of projects, and departmental needs, not always available through other revenue sources within the City Annual Budget. Grants represent one of the ways the government (Federal and State) fund ideas and projects to provide public services and stimulate the economy. These grants are generally provided through legal contractual and binding agreements between both the Grantor and the Grantee. The following are policies and procedures that guides city grant application, and ensures compliance with the grant terms, conditions, and reporting requirements.

### SECTION 2. GRANT APPLICATION

#### Preparation:

It is helpful to have project information readily available; since most grant applications have deadlines occurring 30 – 60 days from release of their guidelines. Following are necessary components for a competitive grant application. Gathering information beforehand will help ensure success in meeting a tight deadline.

- A list of approved projects
- Project descriptions
- Project goals and objectives
- Project timelines
- Estimated costs
- Project budgets
- Matching fund contribution

#### Determining Eligibility:

To determine a project's eligibility for grant funding it is important to review all of the grant guidelines, specifications, and requirements.

- 1) Department Head (Director) reviews application, assesses project eligibility, discusses with City Manager; reviews level of commitment, deadlines, matching fund analysis and compliance requirements.
- 2) Director will assign a Project Manager to oversee the project and provide grant compliance.
- 3) If the Project Manager (PM) is an outside consultant; the Director will assign a staff member responsible for overseeing the PM contract and ensuring grant compliance.

#### Council Approval:

City Council approval to **submit an application** is required for all Grants. A detailed staff report and a resolution will be brought forth to City Council for Council adoption. The staff report will include the following information:

- Project and grant details

- Budget summary
- Administration requirements and funding source
- Match requirements
- Advance allowance
- Compliance requirements
- Grantee responsibilities
- Maintenance and operations requirements
- Long-term costs including staffing needs after the expiration of the grant.

In the event the application deadline does not allow the necessary lead time for council approval; and prior council approval is not a requirement of the application; the Director should ensure the approval of the City Manager **prior** to submitting the application.

### Submitting Grant Application:

Following Council or City Manager approval a completed Grant proposal may be submitted by the Director overseeing the Project or Program. The Project Manager will follow the grant guidelines, and requirements to submit a completed and competitive grant proposal.

### Budget Summary:

When determining the budget for the grant application all the project expenses must be included in the application. This includes:

- Total direct cost of the project
- Project management and oversight
- City staff time, grant administration and audit costs
- Expenses that arise as a result of your project
- City share of costs where applicable
- Operation and maintenance costs
- Long-term or ongoing costs

Below are suggestions to establish accurate staff time and administration costs for the application budget. The type of rate used by the Director will depend on the Grant Guidelines and allowable costs outlined in the Grant document.

- Request a “Cost of Position” breakdown from the Finance (payroll) Department for either a specific City employee or a position title within the City. This breakdown will include current regular hourly rates as well as benefits. The calculation will provide a “fully burdened hourly rate” for each employee.
- Request the Regular hourly rate from the Payroll Department for a specific City employee or position title; without the benefits.
- Request an Overtime rate from the Payroll Department for a specific City employee or position tile, for those grants allowing Overtime charges.

Employee rates provided by Finance - payroll should be current and remain in effect until such changes are submitted through a “change of status” to Human Resources, or a change to the employee Memorandum Of Understanding (MOU) within the city. As changes occur to an employee pay status; the Department must request updated rates from payroll when charging staff time to grants.

## SECTION 3. GRANT ACCEPTANCE

### Notification:

Upon Grant approval the Director will receive a grant award letter from the funding agency detailing the measures necessary to accept the award. The City should also receive a finalized grant contract which will become a binding agreement upon acceptance. The grant contract and **all compliance measures will be reviewed by the Project Manager, and the Director.**

### Approval Process:

- 1) The Project Manager will review the grant contract to ensure ability to maintain compliance, review the grant for deliverables such as periodic reporting, and will provide oversight and recommendations to the Director and staff.
- 2) The Director will ensure the department's capability to comply with the contract by signing the award letter and making the appropriate recommendation to City Manager and City Council.
- 3) The Director will submit and/or review the grant contract and financial requirements with Finance and the City Manager to determine long term implications and compliances.

Depending on the nature of the contract; the City Manager may also forward the contract to the City Attorney for review prior to City Council approval.

### Council Approval:

The final step in the approval process is taking the awarded grant contract and funding acceptance, to the City Council for approval.

- Details of the grant contract and all compliance required should be included in the staff report.
- The staff report and resolution must specify the acceptance of the grant award, as well as the details necessary to load the grant funding into the City's Budget.
- All documentation including the original grant contract must be submitted to the City Clerk's office to obtain the Mayors signature.
- Anticipated grant revenues, along with associated expenditures/expenses must be outlined in the council resolution.
- The City Council must approve and sign the Resolution and the *proper authority as required in the grant contract must sign the Grant Award.*
- Send a copy of the approved and signed Council Resolution to the Finance Director to ensure the funds are appropriated into the budget.

### Execution of Award:

The Grant Contract is fully executed and the funds can be spent when the following steps are complete:

- Granting Agency signs the grant contract and specifies the dates of the "term of the agreement".
- City's Authorized Signor signs the grant contract.
- Grant Contract has been approved through Council Resolution.
- Grant revenues and expenses have been loaded into the appropriate account within the City's Budget.

**Grant funding CANNOT be spent before proper approvals and a grant award notification is received from the Granting Agency.**

### Authorized Signatory Responsibility/ Grant Fraud:

All Grant applications require an Authorized Signor on behalf of the City. Dependent upon grant requirements, the Authorized Signor is usually the Mayor, City Manager, or the Director. Upon signature, the Authorized Signor is binding the City to all terms and conditions of the grant regardless of whether the City is the main beneficiary of the funding, the City has applied on behalf of another agency for pass through funding, or the city has hired an outside agency to oversee and manage the project.

The City “shall at all times exercise responsibility over the implementation of the project.” All departments involved, as well as the Authorized Signor, must fully understand the conditions of the grant agreement and follow the required compliance measures put into place. This will further ensure the integrity of the City’s commitment to the Grantor, help maintain audit compliance, and avoid grant fraud speculation.

**Non-compliance can result in loss of final retention reimbursement, terminating the grant agreement, repayment of funds, suspension, or debarment from receiving future grants, and/or implementation of grant special conditions.**

## SECTION 4: GRANT COMPLIANCE

### Getting started:

The Granting Agency typically sends the Director the original, signed, and fully executed, Grant Agreement. The Director will forward the original copy to the City Clerk and copies to project staff and Finance Department. A copy will also be kept with the department in a centralized file for future reference. The Project Manager will create a spreadsheet and file to begin proper tracking and monitoring of the new grant.

To maintain grant compliance and essential accounting procedures:

- Grant expenditures must be expensed as detailed in the grant application, grant contract and as approved in the City Annual Budget.
- Review the Grant Agreement for terms and conditions before initiating a contract, purchase order, agreement with a service provider, professional services agreement, or other expense
- Many Grant Agreements have “Conditions Precedent to Commencement of Project”: ensure these conditions are met.
- Continue to comply with City policy and procedures; as well as those in the grant contract, including submitting deliverables by deadlines.
- Staff and/or contractors, consultants or service providers utilizing grant funding must disclose all relevant conflict of interest or criminal violations in writing to the appropriate granting agency and follow the guidelines as outlined in the City Council adopted Resolution 20-21
- Before entering into agreements with vendors or contractors, verify that the provider or business has a valid City Business License.

**NOTE:** ALL ***Federal Awards***, Cooperative Agreements, or State Awards utilizing Federal Funds must follow the Office of Management and Budget (OMB) Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards (2 CFR Chapter 1, Chapter 2, Part 200). These guidelines can be found at [https://www.ecfr.gov/cgi-bin/text-idx?tpl=/ecfrbrowse/Title02/2cfr200\\_main\\_02.tpl](https://www.ecfr.gov/cgi-bin/text-idx?tpl=/ecfrbrowse/Title02/2cfr200_main_02.tpl).

If the conditions of the Grant Contract are not met; the **Grantor is under no obligation to disburse funds for reimbursement.**

### Procurement:

The purchase of goods, materials, supplies, equipment, services, and non-public contracts must follow the City Procurement Policies and Procedures as well as City Ordinance approved by City Council. Public Contracts and Public Projects must adhere to Article III. Public Contracts and the Uniform Public Construction Cost Accounting Act.

**NOTE:** ALL ***Federal Awards***, Cooperative Agreements, or State Awards utilizing Federal Funds must also follow the General Procurement Standards in the Code of Federal Regulations (CFR); Title 2: Grants and Agreements section §200.318 through §200.326. These guidelines can be found at [https://www.ecfr.gov/cgi-bin/text-idx?tpl=/ecfrbrowse/Title02/2cfr200\\_main\\_02.tpl](https://www.ecfr.gov/cgi-bin/text-idx?tpl=/ecfrbrowse/Title02/2cfr200_main_02.tpl); in addition expenditures utilizing funds through **Caltrans** must follow **the Local Assistance Procedures Manual (LAPM)**, particularly Chapters 5 and 16. These guidelines can be found at <https://dot.ca.gov/programs/local-assistance/guidelines-and-procedures/local-assistance-procedures-manual-lapm>. Feel free to contact Grants Management Analyst for additional information (ext. 7410).

ALL ***Federal Awards*** used to procure vendors providing services to the city in excess of **\$25,000.00** must maintain evidence of vendor ***“Suspension and Debarment”*** verification through the *“Systems for Awards Management (SAM)”*. Print out copy of verification and submit it to Finance or contact Grant Mngt. Analyst to obtain a copy. This requirement must also be included in your Contract, Professional Services Agreement, or PO. (Refer to Purchasing Policy for boiler plate *“Suspension and Debarment”* language)

### Monitoring the Budget:

Funds must be spent in the manner approved by the Granting Agency and City Council.

The Project Manager overseeing the grant funded project is responsible for:

- Monitoring the project budget
- Monitoring the City staff time budget
- Monitoring sub-contractors, sub-recipients, service providers
- Monitoring budgets for contractors, consultants, and professional service agreements
- Reviewing invoices for payment; specifying appropriate account numbers.
- Timely submittal of invoices for payment ensuring adequate cash management

The Project Manager will work with the Finance Department to:

- Monitor expenses and project budgets.
- Monitor cash flow and accounts receivables.
- Prepare and/or review grant payment requests
- Prepare and/or review Staff time, administrative time, and activity delivery
- Track the expenses and revenues via grant spreadsheet in accordance with Grant Contract.
- Provide direct communication with granting agencies and city departments.

Adjustment between budgeted line items to the approved grant budget; must be approved by the Granting Agency in the manner stated in the Grant Agreement. The Director will provide the Granting Agency approval and request a budget adjustment via e-mail to the Finance Department.

Adding additional budget to an approved grant via a Grant Amendment must follow the procedures on page 6 and request council approval and a resolution accepting the funding and loading the budget.

### Cash Management:

- Invoices and receipts must be paid and a check cut to the vendor prior to requesting reimbursement; therefore timely submittal of invoices is encouraged.
- All work performed and items purchased within a fiscal year; must be **paid within the fiscal year the work was performed**. This is an audit requirement and must be adhered to.
- Provide a brief justification on the pay request for invoices submitted for payment 45 days or more beyond the date of the invoice; this will help provide information to auditor, or Grantor.
- When submitting grant funded large invoices (over \$250,000) for payment, notify Accounts Payable in Finance Department in an effort to manage bank balance cash flow and to expedite grant reimbursement.

## DRAWING DOWN FUNDS:

### ADVANCES

The Project Manager will review the grant contract for specifics. In the event that the Grant Agreement allows agencies to request an Advance of funds and if it is determined to be in the best interest of the City;

- 1) The City will request an Advance to minimize fiscal impact on the General Fund.
- 2) Accounting will track the interest on advanced funds.
- 3) Interest gets reported back to the Grantor.
- 4) The Grantor makes the determination whether the interest should go back into the project or returned to the Funder.
- 5) Expenditures against advanced funds will be reported to the Grantor at least bi-annually by the Finance Department.
- 6) If the Grantee is not utilizing the advanced funding, or has a balance of advanced funding at the end of project; the funds must be returned to the Grantee.

### REIMBURSEMENT REQUESTS

Many Granting Agencies require grant reimbursements be submitted in arrears. The City must first expend the funds; pay the invoice and request reimbursement after payment has been finalized. Grant reimbursements will be requested in the manner set forth in the grant agreement.

- 1) Project Manager will work with Finance staff to prepare the reimbursement request or reviewing the request before submitting to the Granting Agency.
- 2) Invoices must be paid and distributed in the General Ledger prior to reimbursement requests.
- 3) Once the billing is complete, it will be reviewed by the Project Manager, Department Director or Authorized Signor as designated in the Grant Agreement for signature.
- 4) This review enables an examination of expenditures, proper account numbers, staff time accuracy, activity delivery accuracy, and accounts receivable entry.
- 5) After the billing is signed, it gets mailed or submitted electronically.
- 6) The revenue is then tracked by the Project Manager and Finance to ensure receipt.

## Expenditures:

When an invoice is received for a grant funded project; it must be thoroughly reviewed to ensure prices are correct, work is complete, specifications have been met, and all back-up documentation has been submitted to support the cost of the invoice.

To assure the invoice gets reimbursed against the proper grant; the Project Manager should:

- Determine available budget within vendor contract as well as City financial system.
- Specify the grant name, agency, and grant number on the pay request or invoice.
- Specify whether the invoice is 100% reimbursable or what portion is reimbursable through which revenue sources.
- Specify the amount when splitting an invoice between multiple grants or revenue sources.
- Be specific when paying an invoice between multiple account numbers.
- Make a notation of the account number, name and grant number on the receipt of an expense being paid with a City Credit Card or petty cash.
- Make a copy of your reimbursable invoice or receipt to send to the Grants Management Analyst or scan an electronic copy to put into an electronic grant folder to be accessed by Finance.

All expenses charged to projects considered to be 100% grant reimbursable should be allowable expenses as stated in the Grant Agreement or other written agreement. For expenses that are questionable, consult with your assigned Grants Manager, prior to making the purchase.

***If an expense it is not reimbursable; the Granting Agency will not pay for the cost of the purchase. The Department will be required to find another source of funds to pay for the purchase or service.***

## Retention:

Some grants will hold retention; normally in the amount of 10% from billing requests, or from the final payment until the end of the project. It is important to understand the retention when looking at the budgets. The City expends 100% but receives 90% in revenue. At the completion of the grant project, or the expiration of the grant; the City is required to:

- Submit all final documents and closeout reports and deliverables
- Submit a final billing
- Submit a retention release request in accordance with the grant agreement.

Upon review, when the Grantor feels all conditions have been met, they will pay the final billing, release the retention, and close out the grant.

***If there are outstanding deliverables, incomplete submittals; or non-compliant actions; it is within the Grantee's discretion to keep the retention and the City loses that portion of expected revenue.***

## Staff Time / Overtime Expenses / Activity Delivery:

The Grant Contract should specify what type of staff time / administration expenses it allows. The Project Manager will determine what works best for the Department in accordance with the grant agreement and grant approved budget.

- 1) Current applicable rates should have been obtained from the Finance Department during submittal of the grant application; verify with Finance to ensure rates are still the same before charging to the grant.
- 2) The rates were either approved through the grant application process, or sent to the Grantor for approval **prior** to charging time to the grants.
- 3) Rates will remain the same for the duration of a grant; unless there has been a change to the employee's rate through either a "change of status", COLA increase, or a change to the employee MOU.
- 4) Department should contact Finance - payroll for an updated rate when such changes occur; and provide documentation of such change to the Project Manager for the Grant file.

When charging staff time to a grant:

- Accurately track the time spent on grant projects on a grant timesheet
- Track the amount of time spent; detail what type of work was performed
- Grant timesheets should concur with regular city payroll timesheets.
- When charging overtime to a grant; make sure the amount of time charged to the grant; matches the overtime in payroll in that same pay period.
- When charging to multiple grants for the same project be concise in the description of work for each individual grant.
- Only account for the time actually spent on the grant.
- Each employee should review the timesheets, and sign them for accuracy
- A thorough review is required to ensure accuracy of what is reported to the Grantor. Grant timesheets, City timesheets, payroll records, and current hourly rates should match and be in accordance with the allowances in the Grant Agreement.
- End of each pay period; copy or scan timesheets to be used to calculate the staff time reimbursement and submitted as back up documentation for the Grant.

## Reporting Requirements

There are numerous reporting requirements associated with the Grant Contracts. These requirements should be reviewed thoroughly by the Director, Project Manager, and Finance to delegate the responsibilities within the contract to ensure grant compliance. The most common reports are as follows:

Reports Required for Submittal	Prepared and Submitted by Finance Department	Prepared and Submitted by Project Manager
Request for Advance- where applicable		X
Progress against Advance/ interest tracking-where applicable	X	X
Reimbursement Requests- as noted in Contract		X
Financial Status Reports- quarterly or bi-annual	X	X
Project/ Program Progress Reports- quarterly or bi-annual	X	X

Monitoring Reports – as required per contract		X
Program Income Reporting- as required per contract		X
Verification Reporting/ Labor Compliance Reporting		X
Annual Program/Progress Reports		X
Budget Adjustments/ Modifications	X	
Change of Scope/ Project adjustments		X
Final Disbursement	X	
Retention Release	X	
Final Reports and Deliverables- end of project, prior to expiration		X

It is the City's responsibility to submit all reports on time and in accordance with the grant agreement; regardless if the City is managing the grant or not. The Grantor **will not** pay the reimbursement requests if a report has not been submitted.

### Department Oversight:

To coincide with the Grant Policy and Procedures; Director(s) are responsible to instill departmental procedures for review and oversight of grant compliance, reporting, signature authority and general checks and balances within the department.

### NonCompliance:

If the City fails to comply with Federal/State statutes, regulations or the terms and conditions of a Federal award, the Federal awarding agency or pass-through entity (State) may impose additional conditions, as described in §200.207 Specific conditions. If noncompliance cannot be remedied by imposing additional conditions, the following actions may be imposed:

- 1) Temporarily withhold cash payments pending correction of the deficiency by the City or more severe enforcement action by the Federal awarding agency or pass-through entity.
- 2) Disallow (that is, deny both use of funds and any applicable matching credit for) all or part of the cost of the activity or action not in compliance.
- 3) Wholly or partly suspend or terminate the Award.
- 4) Initiate suspension or debarment proceedings as authorized under 2 CFR part 180 and Federal awarding agency regulations (or in the case of a pass-through entity, recommend such a proceeding be initiated by a Federal awarding agency).
- 5) Withhold further Federal awards for the project or program.
- 6) Take other remedies that may be legally available.

### Records Retention and Audits:

The Single Audit, also known as the 2 CFR 200.501 requirement, is a rigorous, organization-wide audit or examination of an entity that expends \$750,000 or more of combined Federal assistance, Federal grants, or Federal awards, received for its operations. Usually performed annually, the Single Audit's objective is

to provide assurance to the U.S. Federal Government as to the management and use of such funds by recipients. The audit is typically performed by an independent certified public accountant (CPA) and encompasses both financial and compliance components. The Single Audit must be submitted to the Federal Audit Clearinghouse, the State Controllers Office, as well as any other agency that requests it. At this point it is public information and can be used as an evaluation tool for future lenders or granting agencies.

The City is subject to a Single Audit annually. The number of grants chosen to audit is based on a number of factors:

- How much was expended from a federal agency
- How much was spent on a specific grant
- Audit details, findings from previous years
- Third-party references, and operations evaluation.

In general, the auditors will choose between 2 – 4 different grants to test. The audit can take up to two weeks to accomplish and is performed at a charge to the City.

The audit will review Grant finances, City compliance with grant requirements, and City Policies and Procedures for grant operations. While an audit is being performed, all City information and documentation will be made available to the auditing firm. Such documents include, but are not limited to:

- Procurement Procedures
- Payroll Records
- Finance Records
- Human Resources Records
- City Clerk Records
- Departmental Records from any Departments overseeing the grant.

In addition to being subject to the Single Audit, Grants can be audited by the Granting Agency or Funding Agency at any time. Grants can be audited more than once, and may be audited beyond the grant expiration date.

Best efforts will be made to save all grant documentation, information, and correspondence in a centralized department grant file.

- All Staff will be responsible for keeping grant related e-mail correspondence in separate a folder in their Microsoft Outlook to prevent deletion and/or scan all documents in a central folder.
- The “Transmittal Form” (Exhibit “A”) shall be utilized when corresponding with Grantees.

The Department should have readily available in one location:

- Grant application
- Grant contract
- Bid documents including newspaper and other advertisements
- Contractor, consultant, and service provider contracts
- Contract amendments

- Permits, licenses
- Progress reports, monitoring reports, final reports
- Labor compliance information and interviews
- Loan or program income information
- Product delivery, activity delivery
- Pertinent correspondence with Grantor
- Pertinent correspondence with vendors or service providers
- Other documentation necessary in accordance with grant contract

The Finance Department will maintain a file to include:

- Grant contract and amendments
- Grant tracking spreadsheet
- GL transactions, budget/actual
- Reimbursement requests with all invoicing and staff time back up
- Received check copies or electronic deposit documentation
- Financial status reports
- Matching fund documentation
- Retention information
- Grant correspondence documentation
- Other pertinent financial information

All grant files must be kept in the City's possession for the length of time noted in the grant contract, "Grant Hold Requirement".

The minimum retention period for general ledger, revenue/expense reports, and all supporting posting records and histories related to the grant award is detailed in the grant hold requirement, or seven (7) years, whichever is greater.

It is important to retain all Grant Records even after the grant is audited, up to the minimum of the hold requirement or seven (7) years, whichever is greater.

***Complete and proper documentation is instrumental to a smooth and successful audit; which reflects positively on the City, and in turn increases the chance for successful grant applications.***

## ~~ARTICLE V. GRANT TRACKING PROCEDURES~~

~~Grant funding source activity is managed by the Director of Finance and is tracked in the following manner: A copy of the signed grant is filed with the Finance Department. A grant tracking spreadsheet shall be developed and maintained by the department that wrote the grant and is the primary beneficiary (i.e. FTHB grant awards shall be tracked and maintained by the Housing Department; SRTS, Measure R Transportation Projects, etc. shall be tracked and maintained by City Services as the work is performed) and all financial data shall be routed through the Director of Finance for review and approval to ensure secondary oversight for compliance with grant requirements. The spreadsheet reports information on all funding sources including: original dollar amount of the grant, beginning and ending dates, extensions of terms and amounts, if any, draw downs, and available balances. The grant tracking spreadsheet is updated continually and is periodically reviewed by the Director of Finance to ensure compliance with the grant award agreement. (See Article VI. Procurement Policy.)~~

Good morning Juana,

I have reviewed the procedures and they satisfy corrective action item for Finding 3 once signed. Further, the procedures also have good examples to address reviewing grant requirements and compliance with the Uniform Procurement Guidance (2 CFR 200.318-326). Please let me know when the procedures are finalized and signed so we may note this action has been resolved.

Thanks,

Daniel

## STAFF REPORT

TO: Lindsay City Council  
FROM: Edward Real, Assistant City Planner  
DEPARTMENT: City Services, Planning  
ITEM NO.: 11.1  
MEETING DATE: September 14, 2021

### **ACTION & RECOMMENDATION**

First Reading of Ordinance No. 591, Amending Chapter 8.22.010 of Title 8 of the Lindsay Municipal Code, Amending Procedures and Chapter 8.22.020 of Title 8 of the Lindsay Municipal Code, Amending Permit Issuance.

### **BACKGROUND | ANALYSIS**

In 1998, City Council adopted Ordinance No. 490 which provided regulations for the sale of safe and sane fireworks. Given the conditions of Ordinance No. 490, the sale of fireworks was permitted in the City through TUPs considered and approved by City Council on an individual basis.

Ordinance No. 591 is a request by city staff to amend the Lindsay Municipal Code to allow for firework sale TUPs to be administratively approved by the City Manager, or their designee, each year during the Independence Day holiday period (late June to July 4<sup>th</sup>). The changes contained in Ordinance No. 591 would streamline the approval process for firework sale TUPs, reduce staff time dedicated to preparing City Council reports, and allow City Services and Planning staff to make more efficient use of their time. This change would also ensure that City Council's time during Council meetings is dedicated to consideration and discussion of high-priority city business rather than routine administrative items.

### **FISCAL IMPACT**

The proposed ordinance will provide a fiscal benefit to the City through reduced staff time spent on firework TUP applications, staff reports, and presentations.
