The City of Lindsay Parks and Recreation Department is seeking volunteer coaches for the 2026 Youth Volleyball League. This league is non-competitive, meaning no score or standings will be kept. Parks & Recreation prides itself on offering youth sports that give all children a chance to play, learn, and have fun. Coaches will have the responsibility of teaching the young players basic volleyball skills and fundamentals, teamwork, and good sportsmanship. All head coaches will be required to submit and pass a fingerprint background investigation. For questions, please contact the department via e-mail at parksandrec@lindsay.ca.us or at 559-562-5196.
